B. REFUND POLICY

STUDENT'S RIGHT TO CANCEL

1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh calendar day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time; and you have the right to receive a pro rated refund if you have completed 60 percent or less of the scheduled hours in the current payment period in your program through the last day of attendance.

Cancellation of this agreement can occur through: XXX. (Or up to 7 days after enrollment).

2. Cancellation may occur when the student provides a written notice of cancellation at the following address:
445 Summit Road, Watsonville, CA 95076. This can be done by mail or by hand delivery.
3. The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage.
4. The written notice of cancellation need not take any particular form and, however expressed, it is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
5. If the Enrollment Agreement is cancelled by the above cancellation period, the school will refund the student any money they paid, less an application fee not to exceed \$250.00 within 45 days after the notice of cancellation is received.

WITHDRAWAL FROM THE PROGRAM

You may withdraw from the school at any time after the cancellation period (described above). A \$100 Change of Agreement fee is incurred in the case of withdrawal.

Refunds

The student will receive a pro rata refund as long as they have completed **60 percent or less** of the educational program "period of attendance."

A pro rata refund shall be no less than the total amount owed by the student for the portion of the educational program provided subtracted from the amount paid by the student, calculated as follows: (1) The amount owed equals the daily charge of the program (total institutional charge, divided by the number of days or hours in the program) multiplied by the number of days or hours the student attended, or was scheduled to attend, prior to withdrawal.

The refund will be less the non-refundable application/registration fee (not to exceed \$250.00) and within 45 days after the withdrawal is determined.

If the student has completed **more than 60 percent** of the period of attendance of which the student was charged, the tuition is considered earned and the student will receive no refund.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

- The student notifies the institution in writing to the Registrar via email, hand delivery, or written notice mailed to 445 Summit Road, Watsonville, CA 95076 of the student's intention to withdraw, or as of the date of the student's withdrawal, whichever is later.
- The institution terminates the student's enrollment for failure to maintain satisfactory progress; failure to abide by the rules and regulations of the institution; absences in excess of maximum set forth by the institution; and/or failure to meet financial obligations to the School. (Such termination is subject to appropriate due process and determined by the Provost in consultation with the student, Program Coordinator and Chair.)
- The student has failed to maintain a minimum of a 90% cumulative attendance rate.
- Failure to return from a Leave of Absence.

BE SURE TO READ ALL PAGES OF THIS AGREEMENT. IT IS PART OF YOUR CONTRACT WITH THE SCHOOL.

Revision Date: 4/23/2024

For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance.

For programs beyond the current "payment period," if a student withdraws prior to the next payment period, all charges collected for the next period will be refunded. If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student.

If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal financial aid funds.

Tuition Owed

If the student has completed **more than 60 percent** of the period of attendance (trimester), the student will be responsible for the full tuition cost for the period of attendance. i.e., **full trimester tuition is due at the time of withdrawal.**
